Discussion Questions

- 1. Share what impacted you out of the ministry of Steve Grace (and Jordan and Trent).**
- 2. Steve talked about faith and risk. What risks have you taken for the Gospel in the past and how did they work out? What risks do you wish you had taken? What risks, or faith steps, do you sense God asking you to take now?**
- 3. What abilities etc has God given you that He is calling you to use them for kingdom purposes. All we have belongs to God so use it wisely for Him.**
- 4. Steve commented on the impact his parent's willingness to take great faith risks had on his life. They went to PNG as missionaries when he was 4 months old. Who has really impacted your faith walk over the years? Who has fanned the flame on you living for Jesus? Tell the group about 1 or 2 of those people.**
- 5. Take some time to pray for and thank God for them. Do it in your group now. Also, if possible, tell them (email, write, call, face to face... however you can) how they impacted you in your faith walk.**
- 6. Steve had Jordan, his son, playing with him. Steve has played a big part in his faith journey and it seems Jordan is inspired by his dad. Reflect on people God has put in your life who you can invest in. Take some time now to write their names down, pray for them and be intentional in their life.**
- 7. As a group, read Philippians 2:1-11. What hits you out of those verses. Have a prayer time praying those verses into your lives.**
