

# Pray like Christ

## Discussion Questions

1. Talk generally about how you see your everyday life as a life lived with the Lord's mission in mind.
2. Do you need his power of the impossible? Do you interweave prayer throughout your day? If so, be specific about the experiences. If not, discuss what ways you can begin to do this.
3. What inspires you about the prayer life of Jesus? How can you emulate this?
4. The disciples came to Jesus and asked them to teach them how to pray. Is this your heart as well? How does the Lord want you to grow in prayer this year?
5. Study the Lord's prayer in Luke 11. How does praise factor into Jesus' teaching here? How does it factor into your life?
6. Discuss the community aspects of the Lord's prayer. Talk about your previous commitment to the community prayer nights at LCC and if you are able to renew this, i.e. will you come to these nights of prayer? If so, what will motivate you to be there? If not, discuss why.
