

A FEW CRUMBS EQUALLED GREAT FAITH!

SMALL GROUP QUESTIONS

From John Bond

Re-read Mark 7:24-30 and the parallel passage Matthew 15:21-28

There are some differences in the 2 accounts. If Mark is the primary passage, what additional information is there in Matthew's account of this encounter between Jesus and a Gentile woman?

What is the 1 main thing you personally have learnt and were impacted by from either Jesus, the disciples or the woman that is most applicable to your life?

What change/s are you prepared to make in your life as a result?

Pray for each other.
