#### ***Decisions Determine Destiny***

Share with your group a powerful decision that you have made or someone in your family has made that has led you to be where you are today OR...

Talk about a time you've watched someone else choose a life path that led to destruction.

Consider this principle about the path you choose in life:

#### 1. Decisions Determine Destiny

Read Matthew 7:13-23 out loud together

If someone asked you to explain what it means to choose the narrow path and the narrow gate, what would you tell them?

Think about which life path you are walking right now. Answer the following questions about the path you are on:

- When was the last time I made a significant, life-changing decision? What path did that decision put me on?
- What character traits would I expect to see from people who are on the right path?
- Who else is following the path I am on?
- What is the defining behaviour of those who are on this path with me?
- Has following this path caused me to experience any kind of opposition? Should it?
- What role is my relationship with Jesus playing while I walk this path?

How would you describe the wide path? Why would anyone ever choose the wide path?

Is it possible to walk the narrow path without having a relationship with Jesus? Why or why not?

How do you need to respond to this passage? What specific KINGDOM LIFE action will you take this week?

Spend some time praying for each other and for those in your world who you would like to see choose Jesus.
